# NATIONAL PHYSICIANS WEEK VIRTUAL CONFERENCE

MARCH 25 – 31, 2018

A learning and community building opportunity

Celebrate this year's National Physicians' Week by attending the first, physician-led virtual conference! **Free of charge**, you are invited to join sessions designed to **educate and empower** – enabling you to better navigate the health care system and improve patient care.

Here are just a few of the inspirational sessions for you to choose from:

**Dr. Brian Dixon**  
Physician  
Diversification: The Art  
of the Side Hustle

**Dr. Sasha Shillcutt**  
Resilience: Falling  
Down & Launching  
Forward

**Dr. Mark Fahlen**  
Peer Review: How One  
Doctor Survived &  
Prevailed
